Mathematics

In Maths, we are focusing on Money for the first few weeks. Practising shopping and transactional skills such recognising coins and notes and engaging in play shopping scenarios.

We will then move on to Multiplication and Division and learning how to count in 2s,5s and 10s and gaining more understanding of grouping within multiplication and division.

Other Curriculum Subjects

- Science: The children will be exploring the topic of Everyday Materials and be carrying out experiments testing different features of materials.
- Topic: Within Topic we will be learning about London and the differences between cities and country sides within geography. In History we will be comparing the changes in travel and transport.
- Social Skills: The children will be continuing with our Social Thinking and So Safe Curriculum.
- Creative Art: We will be exploring our expressive and creative skills through drama, music and art.
