Other Curriculum Subjects

Science: We will be looking at plants. Exploring the needs of seeds. Investigating what plants need to grow and stay healthy. Observing the germination process of different plants.

History: We will be comparing the differences between London today and London during the past through research and drama.

Art: We will be exploring the foreground and backgrounds of paintings of the Great Fire of London. We will be looking at primary and secondary colours.

RE: We will be looking at the differences between faith and values. Understand some of the traditions of different major religions.

PSHE: We will be looking at the environment. What improves and harms the environment. Understand ways of looking after the local environment. We will also be looking at how we can keep money safe and make sensible spending choices.

Computing: We will continue to look at improving keyboard skills, saving and managing folders, using copy and paste features. Also, we will continue to learn about E-Safety.

PE: Games and Gymnastics with our Merton coaches.
