

English

In English we will be focusing on 'The Lost Thing' by Shaun Tan. This is a picture book about belonging. We will use this text as inspiration for our writing. This will include narratives, diary entries and explanation texts.

We are working hard on using accurate sentence structure and correct punctuation and grammar. We will be looking at rehearsing our sentences before writing, and including clauses in a range of places. We will also be using a range of punctuation including semi colons, colons and brackets for parenthesis.

Year 5 Spring Term 2 2020

Ms. Callick
Miss. Linnell
Miss. Drake

Mathematics

In Mathematics we will be studying multiplication and division in depth. We will also be focusing on fractions during the second half of the term.

To help your children in their maths lessons, please encourage them to practice their times tables daily.

It would be helpful if you could encourage your child to revisit what they covered during their daily maths lesson.

Other Curriculum Subjects

Science: This half term we will be studying Earth and Space.

Humanities: We are continuing to study Ancient Greece and their myths and legends in our history topic for this half term.

R.E: This half term we will be looking at the Old Testament through Bible Explorer.

PE: This half term Eagle and Kestrel will have PE on Wednesday mornings. Falcon will have one hour of PE on both Tuesday and Wednesday.

D&T: We will be studying the design and construction of bridges.

PSHE: In PSHE this half term, we will be talking about Living in the wider world, focusing on communication and entrepreneurial skills.

Homework: The children are set one piece of English or Maths every week. They are also given spellings to learn and are expected to read a minimum of 3 times a week. Homework is set on a Wednesday and handed in on the following Monday when they will be tested on their spellings.
