Further Information about our Clubs

Art	A range of creative activities for children to explore using a variety of different mediums.
Brazilian Jiu Jitsu / Judo	A combined Brazilian Jiu Jitsu and Judo class taught at the Ray Stevens Academy
Drama for Years 3, 4, 5 and 6	Activities will include acting games, stretching, improvisation and dance & movement workshops. The children will learn different styles of acting. This club is a wonderful opportunity, not only because the children will improve their acting skills but they will also be able to develop their confidence, self-esteem and team work.
Drama for Year 1 and 2	Sessions are designed to light the spark of children's imaginations and creativity through structured play, storytelling, imaginative games and role play. Run by experienced staff from the Polka Theatre
Football	A chance to have some fun and improve your child's football skills
Gymnastics	Gymnastics will build physical fitness, flexibility, body awareness, co-ordination, confidence, and is also hugely challenging, creative and fun.
Kickboxing	Kickboxing class taught at the Ray Stevens Academy
Lego	An opportunity for children to develop their fine motor skills, teamwork & communication. Every week we will build something according to a theme.
Minecraft	A chance to learn programming skills using Minecraft
Nature	Children will be making habitats for small creatures, planting/caring for plants around the school and growing their own fruits/vegetables.
Spanish	See separate attachment
Street Dance	A fun and energetic class where children will learn steps and techniques and put them together into routines. Run by qualified instructors from Dance&Arts
